FRESH, LOCAL, SUSTAINABLE

We're passionate about Hampshire and want to give our customers a taste of what the county has to offer. It's the reason we look local for inspiration when creating our menus.

We use local fruit and vegetables when in season

Our free range eggs are from Fordingbridge, Hampshire

We source our fish products from sustainable, well-managed fisheries

Our Red Tractor chicken breast and RSPCA assured pork loin are UK reared

We're proud to support local business too. We serve Mozzo coffee, roasted in Southampton to our own special recipe

FOOD ALLERGY

If you, or any of your party, have a food allergy or intolerance, please speak to a member of the catering team before ordering. They will be happy to provide you with the full list of ingredients for all our dishes.
